

ARE YOUR MANUFACTURING SYSTEMS HELPING YOUR BUSINESS

SURVIVE OR THRIVE?

BROKEN SYSTEMS BARELY ALLOW YOU TO SURVIVE

BLOWN BUDGETS TO GET WHAT YOU NEED

System modifications and upgrades. Yeah, we get it.

INCONSISTENCIES AND CONFUSION

Multiple ERP systems mean multiple headaches.

CORE CAPABILITIES DON'T MEASURE UP

Scalability, integration, and flexibility are BIG challenges.

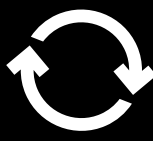

IT'S NOT ENOUGH TO SURVIVE.

TO THRIVE YOU NEED VISIBILITY, QUALITY, AND CONTROL.

Stop just surviving. Start thriving with a smart manufacturing solution.

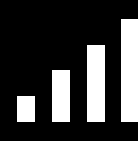

Connect your entire business, from the shop floor to the top floor.

Automate business processes & replace redundant legacy systems.

Track data throughout your enterprise and deliver full visibility.

Analyze your performance as you grow your business.

GET THE VISIBILITY YOU CRAVE

Shop Floor to Top Floor Data

Fluid Routing Solutions reduced the time required for reconciliations from days to minutes.

Better Inventory Checks

Ralco reduced on-hand inventory by 15%.

Centralized Version of the Truth

Gill Industries standardized eight facilities across the world for a single source of truth.

GET THE QUALITY YOU DEMAND

Error Reduction

Shank's Extracts found its competitive edge with 99.9% inventory and real-time tracking and control.

On-time Delivery Gains

Eurotranciatutura Mexico eliminated premium freight costs and achieved nearly 100% on-time delivery.

Isolate and Address Issues

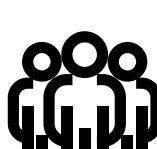

Horizon Technology can identify and isolate potential issues in 10-15 minutes so affected parts never leave the building.

GET THE CONTROL YOU NEED

Easy Auditability

Coastal Automotive achieved a perfect IATF score thanks to simplified access to information and greater control.

Reduced Personnel Spending

Kamco closed the company's books in two days instead of weeks. Goodbye, overtime!

Higher Profits

Polamer Precision achieved 300% sales growth while driving down costs.

GETTING BY ISN'T GOOD ENOUGH.

ARE YOU READY TO THRIVE?

YOU CAN.
